

Kira Wegner-Clemens

kirawegnerclemens@gmail.com

Education

PhD, Cognitive Neuroscience, George Washington University 2024

- Dissertation: The Influence of Audiovisual Semantics on Attention
- Advisor: Sarah Shomstein

BA, Cognitive Science, Rice University 2017

- Minors: Neuroscience, Language and Intercultural Communication
- Distinction in Research and Creative Work

Research Experience

Graduate Research Fellow Aug 2019 - Present

George Washington University, Psychological & Brain Sciences

- Investigated behavioral & neural mechanisms of semantic audiovisual attention
- Created open source database of auditory and visual semantic understanding
- Coordinated undergraduate research team, including teaching coding & data tutorials
- Successfully obtained fellowship grant (NIH F31) in nationally competitive process

Research Coordinator July 2017 - July 2019

Baylor College of Medicine, Neurosurgery (PI: Micheal Beauchamp)

- Investigated face and speech perception with behavior and eye tracking techniques
- Developed novel data driven method of analyzing eye tracking behavior

Undergraduate Researcher Aug 2015 - May 2017

Baylor College of Medicine, Neuroscience (PI: Jeffrey Yau)

- Investigated audiotactile perception using psychophysics
- Wrote undergraduate honors thesis & co-authored peer review publication

Awards & Honors

NIH Kirschstein National Research Service Award (F31) 2022-2025

Kavli Summer Institute for Cognitive Neuroscience Fellowship 2022

George Washington University Academic Excellence Fellowship 2019-2022

US State Department Critical Language Scholarship Russian 2015

Skills

Programming: Python, Matlab, R, Tensorflow, PyTorch, Javascript, HTML/CSS

Experimental: psychophysics, eye tracking, online data collection, fMRI

Scientific writing: Track record of peer reviewed journal publications (7 total, 4 lead author)

Other activities, training, & service

Ad hoc journal reviewing: Attention, Perception, & Psychophysics 2021-Present

Lab Manager, Shomstein Lab 2021-Present

Kavli Summer Institute for Cognitive Neuroscience 2022

GW Cognitive Neuroscience Program Vade Mecum Committee 2022

GW Cognitive Neuroscience Program Recruitment Coordinator 2022

Neuromatch Academy for Computational Neuroscience 2020

Publications
